Year 2 Leavers Concert

Over the last two weeks, Year 2 teachers have been working with the children allocating parts in the end of year concert. Some of your children may have come home talking about this. Further details in the next few weeks regarding costumes. We will give you as much notice as we can, if you are able to help that would be great.

Hoola Hooping

Next Friday, 8th May, we have an exciting day planned for the children. Robert Proud and his team will be bringing hoola hoops into school for the children to use throughout the day on a range of activities. This is part of our Healthy School initiative and encourages a high level of physical activity.

Taylor Shaw

On Wednesday this week two managers from our school meals provider, Taylor Shaw, came into school to get our School Council's views on the meals provided daily. The ladies also asked for suggestions for healthy puddings. The children were enthusiastic and full of ideas. Cheryl ... said "the children were a real credit to you all at Cockton Hill Infants'. I really enjoyed our meeting."
