

4th March 2016 – Weekly Newsletter

Dear Parent's

Thank you for taking the time to complete our questionnaire we were very pleased that we had 68% responses (108 responses from 159 questionnaires sent out).

What we like most about school?

- Overwhelming support from parents re; approachable, friendly, helpful and professional staff.
- Every child matters – parents are happy that their children are safe and secure and most importantly, children enjoy coming to school.
- Problems are solved immediately, headteacher and staff available to talk to morning and night at the school gate.
- Parents like that we have a breakfast club and some afterschool activities.
- Kept informed by newsletter, texts and letters home in ample time.
- Parents enjoy coming into school to observe and take part in various activities.

Any suggestions for how we can improve

We were delighted that 70% of responses felt that no improvements were needed, parents are very happy with what we are doing. However we will not be resting on our laurels, we want to keep improving.

We have noted your concerns and will be addressing them.

- Parking – and problems associated with it. We regularly ask the PCSO's and parking wardens to patrol the areas, again we will continue to monitor.
- At your request, we have re-introduced a “buddy stop” area in the gazebo and this is proving very popular.
- All homework sheets may now be completed over the weekends.
- From Autumn 2016 there will be a report at the end of Autumn Term to see how your child is settling and progress made.
- Some early evening appointments will be available at Progress meetings for parents in order that parents who work during the day can attend.

Thank you so much for responding – by listening to your suggestions, we can work together to make our good school even better!
