

13th November 2015 – Weekly Newsletter

Flu Vaccination

On Thursday 19th November our school nurse team will be in school to give all children in classes 3,4,5 and 6 the nasal spray to protect your children against flu. This can only be given if you have signed and returned the consent form to school by that date. If you cannot find your form please contact our school office for another.

Protecting your child can stop flu spreading to other children and the family, especially babies and grandparents who may be at higher risk.

Christmas Fair

Thank you so much for your donations so far! Please keep sending in unwanted toys, children's books and DVD's and items for the tombola such as sweets, chocolate, bottles and toiletries!

Reading Books

All of our children now bring home reading books and reading records. Please try to read with your child as often as possible, even if it is not the whole book or talk to them about the story. Practice little and often is very effective and can make a huge difference to your child's progress. Please also ensure the books are returned **EVERY** day. Thank you.
