

**15<sup>th</sup> May 2015 - Weekly Newsletter**

**Summer Fair**

We will be holding a Summer Fair on Thursday 18<sup>th</sup> June during the afternoon. We have started to collect raffle prizes, tombola prizes – the usual toiletries and other small items as well as sweets and chocolate. We will be grateful for donations, they may be sent into school from Monday 18<sup>th</sup> May. Further details about the fair will be sent out after the half term holiday.

**Outdoor PE**

At this time of year the children go outside for most of their PE lessons. Please ensure they either wear suitable footwear for school or they have trainers or plimsolls in their PE bag to change into.

**Science**

We would be grateful for donations of any adult-size clean white shirts, in good condition that you may no longer need, to use in our Science areas as 'lab coats'. Thank you.

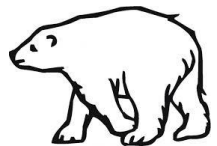

**Mathletics**

As you maybe aware many of the children are accessing Mathletics as both a homework tool and for activities in class. May of our children have individually clocked up more than 50,000 Mathletics points. Our league table shows us that the following children in particular have gained a high number of points; 1<sup>st</sup> – Lewis (Class 6) 111,000  
 2<sup>nd</sup> – Scarlett (Class 3) 85,000  
 3<sup>rd</sup> – Josh (Class 6) 74,000

**Congratulations to this week's achievers:**
