

## 23<sup>rd</sup> January 2015 - Weekly Newsletter

### Eco Update

This year we are working towards the Green Flag Award as part of the Eco Schools programme. Children from each class make up our Eco committee and their role is to ensure no energy is wasted around school. The most eco-friendly class is awarded in the celebration assembly each Friday.

This year one of our main focuses is 'Healthy Living' which will include promoting awareness to both children and parents.

### International Week

Next week we are having an international week in school; in Early Years the children are looking at the contrasting places of the Arctic and Africa. Whilst in Year 1 they will be looking at Russia. In Year 2 the children will be linking their curriculum work with the USA.

### Open Days

We are inviting parents in for open days which will involve a discussion with their child's class teacher and an opportunity to explore the school. Parents in Years 1 and 2 will receive a summary of their child's progress, EYFS parents received this before Christmas.

Further information will follow.
