

## 7<sup>th</sup> April 2017 – Weekly Newsletter

### Easter week contributions

Thank you for all of the decorated eggs and easter bonnets that have been sent in. The children have enjoyed a week full of Easter activities such as going on egg hunts and making Easter cakes. Don't forget you can look at photographs on tapestry, our website, our new Facebook page and the life channel on the school yard.

### Mathletics

Don't forget Mathletics is available during the holidays. The Mathletics website is also getting a makeover in the near future to improve the user experience.

### Parking at school gates

Following the parking meeting on 29<sup>th</sup> March, we will begin an initiative on Monday 24<sup>th</sup> April – the first day back at school after the Easter holidays.

Anyone seen by PCSOs parking or pulling up to drop off or collect children directly outside the school will be fined or given the opportunity to come into school on a specific date and questioned by children about their actions. The names of those people will also be put on the school's newsletter.

This is an initiative that a number of schools are trying and it is having an impact on keeping children safe. Thank you for your co-operation.

### Congratulations to this week's achievers:

### Attendance

Week ending 31-04-2017

Classes with best attendance: **Class 6 – 99.3%**

134 out of 168 pupils had 100% attendance that week! This is excellent – sticker for you all!

**Please continue to check your child's hair over the holidays – let's see if we can reduce the number of headlice cases in the school.**
