

## 23<sup>rd</sup> June 2017 – Weekly Newsletter

### Green Flag Award

Another successful week for our school. We have achieved 'The Green Flag' award. This is an internationally recognised award for excellence in environmental action and learning.

A big thank you to the eco committee and Mrs Harnaman for all their hard work. We are looking forward to flying our flag in the school yard.

### Mathletics

Two more children won Mathletics certificates this week. Remember certificates are given for participation not for correct answers. Mathletics is part of our schools homework program. It is an online learning environment for children to solve problems in a fun and engaging way. To access it please look on the back of your child's reading record to find login details, then go to [www.mathletics.com](http://www.mathletics.com) or download the android/ios app. Any problems please contact Mr Cuthbertson.

### Sports Day

We had an enjoyable Sports Day yesterday and the nursery children joined in for the first time. Well done to all the participants and than you for coming to support your children.

### Congratulations to this week's achievers:

#### **Awards for week beginning 12-06-2017**
