Under Construction

You will all have noticed our school field is having a makeover! We are creating an all-weather surface on the field so the children can access all play areas throughout the year. The trim trail is being updated and there will be a separate “forest school” area at the bottom of the field.

The children have enjoyed watching the tractor and digger at work and are looking forward to completion in the next couple of weeks.

Safer parking at our school gates

You can help by...

- ✓ Keeping your speed low, this will allow everyone else to see, think and act safely
- ✓ Always encourage your child to enter and exit your car on the pavement side
- ✓ Checking for pedestrians and cyclists before opening the car door
- ✓ Stopping for a school crossing patrol when asked
- ✓ Parking away from school gates to reduce congestion
- ✓ Taking care when reversing

Have you considered...

- ✓ The health benefits of walking or cycling on the school journey?
- ✓ Parking away from school and walking the rest of the way?
- ✓ Setting up a walking bus with other parents/carers and the school?
- ✓ Car-sharing?
- ✓ Using public transport?

Please keep clear...

- ✓ Zig zags
- ✓ School entrances
- ✓ Dropped kerbs
- ✓ Resident's driveways
- ✓ Opposite or within 10 metres of a junction

Please don't...

- ✗ Idle your engine – this pollutes the air we all breathe
- ✗ Stop in the middle of the road to drop your child off – this puts our children at risk

slow to 20 for **safer** streets
