

2nd October 2020 – Weekly Newsletter

Social Distancing

Thank you and well done to all our parents for following our new guidelines and setting such a good example to the children. Sticking strictly to the times for dropping off and collecting ensure social distancing across the whole school community.

Harvest donations for the foodbank

Thank you so much for the donations of food sent in so far. We will continue to collect until **next Friday 9th October** when we will take all donations to Woodhouse Close Foodbank. We will have a 'virtual' Harvest Celebration Assembly on Microsoft Teams for the children next week – each class will take turns to say action poems and prayers. We will take photographs and display them on our website and Facebook page.

Sponsored Walk

Week beginning **Monday 12th October** the whole school will be doing a sponsored walk to raise money to replenish our stock of reading books. Unfortunately during school closures many of our books have been lost. More information to follow next week.

Congratulations to this week's achievers:

Travel Tracker

Well done to everyone who made an active journey to school this week! We have had an extremely successful launch week for our Travel tracker which coincided with "Bike to School Week". All children in Reception, Year 1 and 2 have been given a special badge for their efforts this week and those who continue to make at least one active journey to school a week will continue to earn badges each month! We would like to encourage everyone to get involved, even if it's a small change such as parking a few streets away from school and walking the short distance into school once a week.

School photographs if you would like to order any copies of your child's school photo you can complete and return the order form and payment to school or order online – details on the form.

Looking ahead
