### CHillFest

We are all prepared for CHillFest on Monday. This week the children have been watching videos of Back Chat Brass performing, and are very excited. The staff have all been busy preparing their festival outfits. Don't forget that children can also wear their own clothes on the day. The weather is supposed to be sunny on Monday, so I'm sure that we will all have a fantastic day.

### COVID19

There is an increase in COVID19 cases in the area and we all need to work together to keep our school safe. We need your help to ensure that we can continue to minimise the risk of any further bubbles in school closing. We would like to remind parents that they should continue to wear face coverings when collecting/dropping off children. Our one-way system should also be used. Any children from our school and/ or other schools that are supposed to be isolating should NOT come to collect children

### Butterflies in Reception

The children in Class 1 and Class 2 were excited to see a butterfly emerging from a chrysalis this week. We are eagerly awaiting to see the other three butterflies.

### Congratulations to this week's achievers:
