

13<sup>th</sup> May 2022 – Weekly Newsletter

Attendance

I am aware that there are a number of illnesses and sicknesses going around at the moment. Unfortunately, after a period of not being exposed to many of these bugs, our immune systems are building their resistance again. Recently we have had a sickness bug circulating as well as chicken pox. If you are unsure about isolation periods for specific illnesses, please call the school and we are happy to help. When children are absent from school it is important that parents let us know the reasons for this, so that it can be recorded.

School attendance when children are well is very important. Attendance of less than 90% is reportable to the LA who can choose to administer fines. More importantly, poor school attendance will impact on a child's attainment and progress. I would ask all parents to carefully consider this before making the decision to keep their child off school.

Online Safety

It has been brought to our attention that, nationally, some scary videos are “trending” and have traumatised some children. The risks of children accidentally seeing these videos can be reduced by ensuring devices have appropriate parental controls set up. The <https://www.internetmatters.org/> website provides excellent advice on how to do this.

Secondly, and probably more importantly, it is important that your child can talk to a trusted adult if something scary has happened so that they are reassured. The video from CEOP <https://www.thinkuknow.co.uk/parents/jessie-and-friends-videos/> works well with younger children and may be useful to reinforce key messages. If you have concerns then please talk to the Headteacher.

Congratulations to this week's achievers:

**Awards for week ending 13-05-2022**

	Kindness	Pupil of the week	Learner of the week
Class 1	Kaelan Lawson	Harry-John Hopps	Jacob Spence
