

# Cockton Hill Infants' School

"Creating Learners for Life."

**Amount of Sport Premium Grant 2021/2022: £17,083**

## Curriculum focus of Sport Premium Grant spending 2021/2022

To support pupils at Cockton Hill Infant School all PE funding was targeted:

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Amount	Provision	Brief Description	Why?	Impact
£2000	SLA - Go Well	Go well will provide the following as part of their SLA:  intensive training for 2 teachers that are in Year 2 of the ECF and relatively new to teaching  PE Subject health check to upskill subject leader  3 taster days of new sports for the children to engage in	Teacher subject knowledge in the area of PE is integral to an engaging and effective PE curriculum offer  Children should be encouraged to try new sports at every opportunity. This will help them to find new ways to keep active and may help them to find sports they can engage in at club level in the area.	The teachers that completed intensive PE training report that they feel more confident in teaching PE. They have increased knowledge and skills. Lesson observations also evidence this.  The PE Health check has upskilled our PE lead and he has utilised this to devise an action plan.  Children participated in archery, hula hooping and multi sports. This broadened the range of sports offered.
£3000	TASFL (Thrills and Skills for Life)	Company to develop and maintain use of Adventure Forest area. Provide support and training for staff and ensure that every year group has half a day allocated to outdoor and adventurous activities each week.	The importance of spending more time outdoors has never been more important- in the current situation schools are encouraged to take children's learning outdoors as often as	The Forest School area has been well maintained and the children have participated in several activities there. Training has been delivered to staff which has increased their confidence in delivering such activities.

			possible. This forest area will facilitate that learning across the year.	
£2100	New resources	New small resources for variety of curriculum areas e.g. football and fundamental movements Goal posts Basketball posts Gym mats	Allow the curriculum to be taught effectively	New equipment has replaced old and/or retired equipment. The impact is that children have had the correct equipment to participate in various sports and activities. Activities have not been limited by the lack of equipment.
£10000	PE Teaching Assistant	Support for each class during allocated PE sessions each week. Working alongside the teacher developing specific skills.	In particular to assess and support development of motor skills for EYFs pupils. Provide opportunities for older pupils to continue to develop these skills, working alongside OT where appropriate.	Our PE teaching assistant has supported all year groups developing specific skills. He has delivered daily intervention for groups of children with motor difficulties and this has resulted in a vast improvement in a variety of skills.
<b>TOTAL: £17100 - costs above £17083 will come out of the school budget</b>
