Reception Eggs

We are thrilled to announce that Reception Class has witnessed an exciting event! As part of our Life Cycles topic, we have been closely monitoring our live eggs, eagerly waiting for them to hatch into chicks. After a few days of anticipation, we were delighted to see the first crack in one of the shells, and soon enough, tiny beaks began to peek out.

Over the course of a few days, we watched as each egg hatched and welcomed our cute little chicks into the world. The children have been fascinated by their fluffy new friends, observing their movements and listening to their adorable peeping sounds. They have eagerly taken on the responsibility of caring for the chicks, making sure they have food, water, and a warm space to grow and develop.

The hatching of our eggs has been a fantastic opportunity for the children to learn about the life cycle of chickens, from incubation to hatching and beyond.

School Values - Respect

One of our key school values is respect. Many of you may wonder what this looks like in school. Respect is the foundation of any healthy relationship, and it plays a vital role in building a strong community. Showing respect to ourselves, others, and our surroundings fosters a sense of harmony, camaraderie, and understanding.

At our school, we encourage our students to practice respect in their daily lives. Whether they are listening to their classmates during carpet time, taking care of their equipment, or showing appreciation for their teachers or peers, we aim to cultivate a culture of respect among our students.

We believe that by instilling this value in our students, we are building individuals who will become responsible, caring, and considerate members of society. Together, let's cultivate a culture of respect, both inside and outside the classroom.

Open Days

We look forward to seeing Nursery, Year 1 and Year 2 parents next week and Reception parents the week after for our parent open days. There will be an opportunity on the day to give our school some feedback on parent questionnaires. I would be grateful if you could complete these. We are always looking at ways in which we can develop as a school and I would value your input.

Congratulations to this week's achievers:
